**Description**

This lovely gulf front unit includes floor to ceiling sliding glass doors from the great room to the private balcony. From this seventh floor balcony you can see for miles both east and west along Northwest Florida's beautiful emerald coast. This unit has exquisite hardwood floors with area rugs throughout. The dining table has seating for four. A beautifully updated kitchen with granite counter tops, all stainless steel appliances, coffee pot, toaster and blender plus all dishes, serving bowls, pots, pans and flatware needed to prepare a full meal while you are our guest. There are 1.5 baths for your convenience. Boasting quality furnishings and one of the most comfortable sleeper sofas on the market, this is 716 square feet of beach living at its very best. This chic unit is perfect for a quick weekend getaway, a romantic week for two and something in between just to catch up on soaking in Florida sun.
